STATEMENT UNDER 37 C.F.R. 1.78(a)(3)(iii)

Sir/Madam:

In the above-identified application, the entire delay between the date that the priority claim was due, under 37 CFR 1.78(a)(2)(ii), to the reference(s) indicated in the attached Amendment, and today's date on which the claim is filed, was unintentional.

During a review of this application file while preparing a response to an outstanding Office Action, and pursuant to discussions with representatives of the current assignee of record (Color Kinetics, Inc.), the undersigned noted that the priority claim references listed in the "Cross Reference to Related Applications" section of the application as filed were incomplete.
